Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Advanced Manufacturing, Engineering Technology and Apprenticeship Center in fiscal year 2022. The entity to receive funding for this project is Mid-State Technical College located at 1001 Centerpoint Drive Stevens Point, WI 54481.

The funding would be used to construct and equip a 53,000 square foot training facility in Stevens Point, WI for machinists, fabricators and welders, electricians, mechanical designers, civil engineers, and automation/controls engineering technicians through short-term certificates, technical diplomas, and associate degree programs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ron Kind
